Prophetic Declaration For Year 2022:

1, A year of unbeatable divine opportunities for the righteous of the Lord.

2, Only those who know their God will do great exploit.

3, It is a year God will enlighten his people loud and clear to know his plans. Deep revelations will come.

4, It is a year for only the Strong in Christ.

5, Mercy of God can only come to the world regarding recent pandemic outbreaks when the world begins to acknowledge God's throne, the Church must stand in gap in prayers to call down the mercy of God.

6, A year of horrific physical and spiritual kidnapping, You must always cover yourself and family with the Blood of Jesus and also be watchful particularly over your children.

7, The church of God will march on successfully but many fakes will be escorted out..

8, It is a year of great healing and deliverances..

9, Countries promoting evil governances and their leaders will be heavily disgraced, they will trample upon their vomits.

10, It is going to be the beginning of the rise of human eating lions and vultures because of the devil's arrows in the brain. We need very strong prayer & fasting to stop these physical and spiritual zombies. (This is coded & can't explain further).

11, A year you cannot do without faith in the Lord.

12, It is the year you must boldly shout the "Blood of Jesus" anytime and anywhere you find yourself.
