Prophetic Declaration For Year 2023:

1, It is a Year of Deep Prayers and Solutions over several issues.

2, This Prophetic and Warfare song must be sang before going into 1hr (or more) tongue praying (i.e. praying in spirit). The Song is “Paul & Silas they pray they sang, the Holy-Ghost came down” The power of God will move to open doors closed against many for freedom particularly those who are imprisoned (incarcerated) due to hard drug related crimes & those who used banned and illicit drugs against nations’ laws. The Spirit of addiction will be broken off their lives & they will surrender to Jesus. The Holy Ghost will set many of them free.

3, Sing the same song & pray in the spirit for 1 hour or more to be freed from any form of imprisonments. It is a year that the prison gates of the evil strong men will be broken in many lives.

4, Pray to recover all missing destiny keys.

5, Pray against high level of disappointment & mistrust sponsored by people you never believe will change towards you.

6, Pray for all women of God to receive deep spirit of humility from God.

7, Pray against terminal diseases to lose their powers.

8, Pray against the spirit of madness (insanity) & projected evil Spirit into animals to attack people.

9, Pray against the Stronghold of falsehood to break to pieces in the Universe.

10, Pray against spiritual war organized to manifest physically among South Eastern Indigenes & Communities in Nigeria

11, On Dec 28th, a very powerful country will never be the same again. National chaos, confusion, destabilization, fighting & massive deportation. Strong prayer is needed to avert it.

12, Pray against the extreme Great War coming up all over. We must pray against the mysterious confusion & battles. Small & great given injections as citizens to fight the war. Again, very strong Prayer is needed to avert it. It is really a dangerous scene.

13, Pray against the great blood shed & bath.

14, If by any means, God permitted the war, Children of God prepare yourselves for the bride, the time is near! Jesus is coming to take his children. Pray that you will not miss it.

15, Pray against the release of very stubborn marine personalities & strong men.

16, The Solution to anything you need this year 2023 is rooted in strong aggressive praying, praying in the spirit & singing.
